

Element Hotels

Build better.

With a rapidly expanding portfolio, Element Hotels is transforming the extended stay segment. Bright modern design, eco-conscious practices and an innovative guest experience that resonates with today's traveler is driving soaring satisfaction scores and increasing developer demand. With updated room types, flowing multipurpose areas and a reduced cost to build, the time to build is now.

Key Competitors:

Homewood Suites, Hyatt House

Unprecedented Growth Momentum

Since its launch, Element Hotels has created a buzz in the development community, resulting in a strong pipeline that continues to grow in key markets globally. With growing guest demand, Element is slated to nearly quadruple its footprint by 2019.

Flexible Building Options

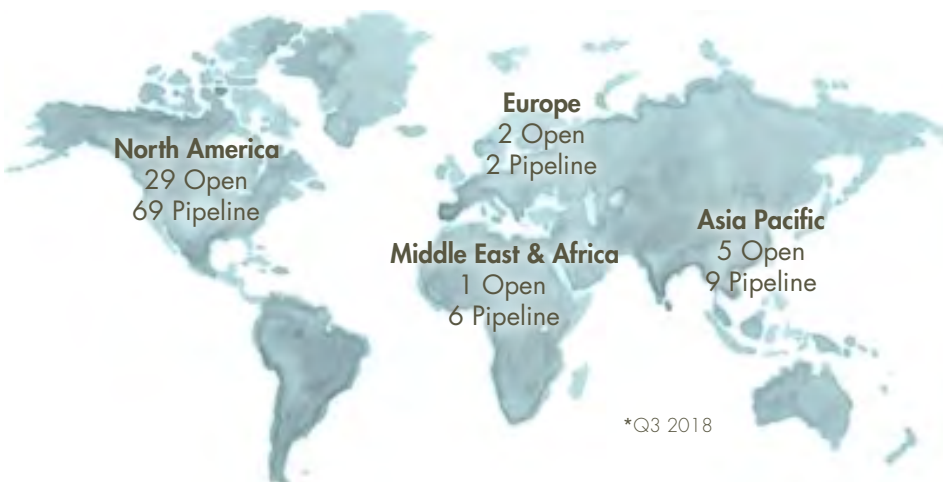

Element has pioneered sustainable design while enhancing the guest experience. Its flexible design approach allows for customization of each product based on market and building type—including prototypical and non-prototypical new builds, conversions and adaptive reuse projects.

DRIVING INNOVATION.

Spacious guestrooms with fully equipped kitchens, spa-inspired bathrooms, the signature Heavenly Bed, and signature programming, Element is geared at today's longer-stay travelers. Element continues to evolve, offering additional room types and innovative activation of the public space to accommodate those that want to fuel a life in balance on the road.

Rise Breakfast:

Wake up to our signature breakfast featuring a fresh made-to-order item that rotates daily. Wholesome granola, fresh cut and whole fruit, a parfait bar plus gourmet coffee and more help guests start their day energized.

Relax:

Rediscover the Relax evening reception. Guests can settle in and mingle over complimentary sustainable wine and local beer options from a fully recyclable keg or enjoy light bites focusing on fresh ingredients. With options for a custom bar cart and full service bars, there is a way for guests at every hotel to unwind four nights a week.

Restore:

Restore pantry has been reimagined so that guests can stock up on healthy snacks, local specialties and more at check-in. Savory, fresh ready-to-cook meals plus wine and beer on tap allow guests access to everything they need anytime.

Guestroom/Studio Commons:

The guestrooms are an open, energizing environment with extra space, clean designs and an abundance of natural light. To continue to innovate in the extended stay space, Element's new "Studio Commons" communal room concept consists of multiple rooms centered around a common living room space that allows guests in the surrounding rooms to congregate, interact, work or dine – even more space to live their lives.
