

MOTTO

by Hilton

FIVE STEPS TO MOTTO

As our guests vary, so will their Motto experiences.
But the following ideas remain foundational.

1.

CREATE A COMMONS

A community hub for travelers and locals, for work and for play (and coffee and drinks).

2.

THE AMAZING FLEXIBLE ROOM

Our rooms are small but mightily efficient. Got a group? Adjacent rooms can link up to create more space.

3.

THE ULTIMATE SLEEP EXPERIENCE

Top-notch mattresses, blackout shades and sound-absorbing materials deliver guests to the land of nod.

4.

DINE LIKE—AND WITH—THE LOCALS

Embedded in the community, our cafe and bar offers flexibility and options from day to night.

5.

HAPPY HOSTS TO THE PLACE WE LOVE

Embrace the role of host by creating a comfortable home base for both guests and locals.
